## PETITION TO SUBMIT COLOR PHOTOGRAPHS

The applicant petitions to submit color photograph figures in the above application. The figures are photomicrographs of tissue samples which include color stained regions, and photographs of skin areas. The applicant considers that the subject matter depicted in these figures is better represented as color photographs rather than in black and white drawings or photographs.

This petition is accompanied by:

(i) The fee set forth in § 1.17(h);

(ii) Three (3) sets of color photograph figures (one original on A4 paper and two copies on 8.5" x 11" paper;

(iii) A black and white photocopy that accurately depicts, to the extent possible, the subject matter shown in the color photograph figures; and

(iv) An amendment to the specification to insert (unless the specification contains or has been previously amended to contain) the following language as the first paragraph of the brief description of the drawings:

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.
